Precision Linear Chandelier

By Visual Comfort Signature

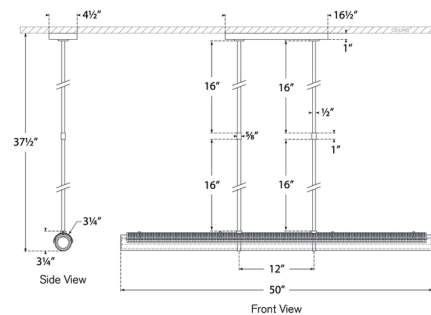

Description

The Precision Linear Chandelier is inspired by architecture, exploring the interplay of light and form. It exudes sleek modern style with its tubular white glass diffuser and curved strip of perforated metal. The perforated pattern is illuminated by the light, adding a delicate texture and sense of depth to your space. This fixture is TRIAC dimmable. Note: Custom overall heights are available. For quotes, please contact our sales team.

Shown in antique-burnished brass / white
