## Precision Elongated Pendant By Visual Comfort Signature

## Description

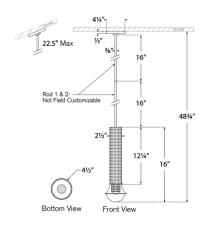

Inspired by architecture, the Precision Elongated Pendant explores the interplay of light and form. A small domed white glass diffuser disperses soft lighting, while its slim body, made of perforated metal, adds texture and sleek modern character to the design. This pendant can light bathrooms and other small spaces, or multiple can be arranged over a kitchen island. This fixture is TRIAC dimmable. Note: Custom overall heights are available. For quotes, please contact our sales team.
