Karissa Table Lamp

By Visual Comfort Signature

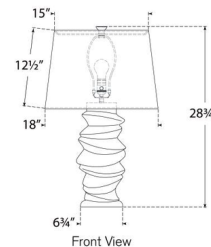

Description

The Karissa Table Lamp expresses kinetic energy within a still object, with its seemingly precarious formation of segments stacked askew. Inspired by the work of artist Robert Therrien, this abstract sculptural lamp is an intriguing piece that plays with the eye and elevates any space. It can be styled as a pair on bedside tables or flanking a sofa, or can be used solo on a desk or console.

Shown in plaster white / linen
