Liaison Double Wall Sconce

By Visual Comfort Signature

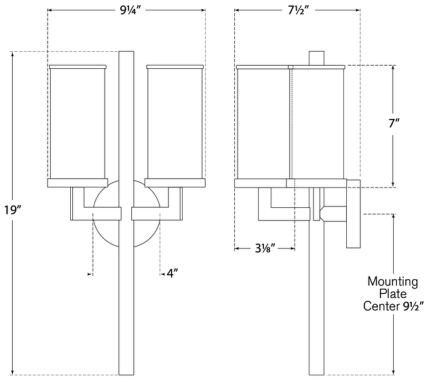

DAMP

Description

The Liaison Double Wall Sconce is a modern update of the classic candlestick sconce design, defined by its clean silhouette and simplified lamp holders with bobeches. Choose smooth clear glass or no glass for a sleek look, or the fractured crackle glass for a more vintage or rustic feel. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.

Shown in antique-burnished brass
