Liaison Chandelier

By Visual Comfort Signature

Description

The Liaison Chandelier updates classic chandelier design with sleek modern lines, featuring straight angular arms and simplified lamp holders with bobeches. Choose smooth clear glass or no glass for an understated aesthetic, or the fractured crackle glass for a more embellished vintage look. Notes: The 34 inch wide chandeliers with glass shades and all 47.5 inch wide chandeliers require additional ceiling support due to their weight. Some finish/glass combinations are not available in all chandelier sizes.
