Liaison Chandelier

By Visual Comfort Signature

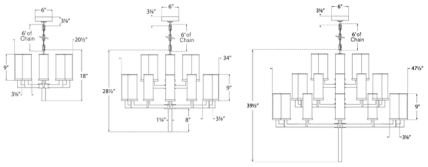

DAMP

Description

The Liaison Chandelier updates classic chandelier design with sleek modern lines, featuring straight angular arms and simplified lamp holders with bobeches. Choose smooth clear glass or no glass for an understated aesthetic, or the fractured crackle glass for a more embellished vintage look. Notes: The chandelier requires additional ceiling support due to its weight. Some finish/glass combinations are not available in all chandelier sizes.

Shown in antique-burnished brass
