Pedra Chandelier

By Visual Comfort Signature

Description

The Pedra Chandelier showcases hand-carved alabaster dome shades on a simple, elegant frame of curved metal arms. Veining and natural color variations in the stone are accentuated as LED light shines through the shades, adding both a modern and organic design element to your space. Place this chandelier in a foyer, living room, or dining room to add ambient lighting with a touch of sophistication. TRIAC dimmable. Note: The included driver must be installed in the canopy or in a remote location. Note: Alabaster is a natural stone and variations in color and texture make each piece unique.

Shown in antique-burnished brass / alabaster
