Walker Swing Arm Wall Sconce

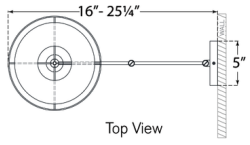

By Visual Comfort Signature

Description

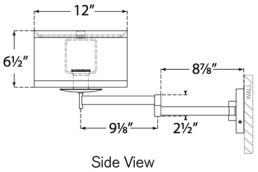

The Walker Swing Arm Wall Sconce showcases the classic drum shade, accenting it with a wide trim inspired by preppy tailoring. With the extending arm, it can be used for ambient lighting or for reading. An acrylic diffuser on top reduces glare when viewed from above. The sconce can be mounted as a hardwired or plug-in light, and a cord cover is included. Well-suited for contemporary or traditional settings, the Walker adds a sophisticated touch to your living room, bedroom, or home office.

Shown in gild / cream linen
