Rigby Wall Sconce

By Visual Comfort Signature

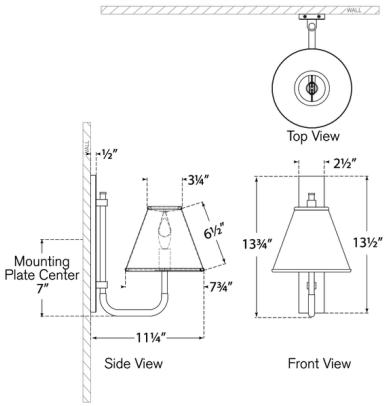

DAMP

Description

The Rigby Wall Sconce shows off a distinct mix of materials in a sleek design. Its bent rod arm fuses oak or ebony wood elements with coordinating metal, while the tapered linen shade is accented with matching metal trim. Place this wall light in an entryway or living room to add ambient lighting and contemporary flair. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.

Shown in soft brass / natural oak / linen
