Terri Round Accent Table Lamp By Visual Comfort Signature

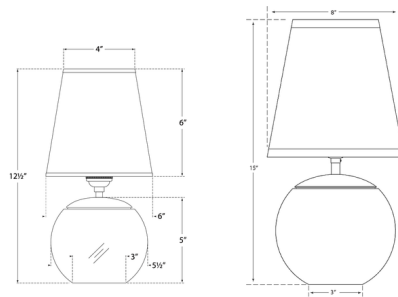

Description

The Terri Round Accent Table Lamp showcases a chic spherical base, available in alabaster or crystal, paired with a tapered shade for an elegant design. The shade is made of linen or paper and emits a warm, inviting glow that highlights your space. Notes: The crystal lamps cannot be placed in direct sunlight. All options except the 8 inch width alabaster lamps are French wired; the power cord exits at the bulb socket. A paper shade is not available for some base and size options.
