Pimlico Swing Arm Wall Light

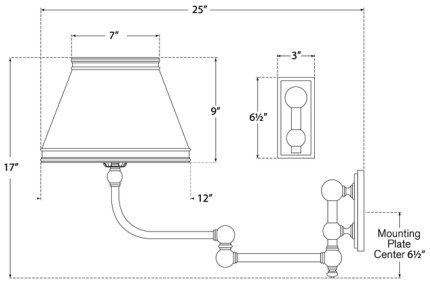

By Visual Comfort Signature

Description

The Pimlico Swing Arm Wall Light offers vintage appeal with its classic metal finishes and knob accents along its jointed arm. The design is topped with a linen or paper shade that glows warmly as it disperses a soft light into your space. The arm extends to place the light right where it is needed, perfect for bedside lighting or in a reading nook. This fixture can be hardwired or installed as a plug-in. Cord covers are included for plug-in use. Note: With hardwired mounting, the fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.

Shown in antique-burnished brass / linen
