## Pimlico Swing Arm Wall Light By Visual Comfort Signature

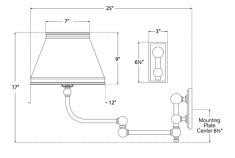

## Description

The Pimlico Swing Arm Wall Light offers vintage appeal with its classic metal finishes and knob accents along its jointed arm. The design is topped with a linen or paper shade that glows warmly as it disperses a soft light into your space. The arm extends to place the light right where it is needed, perfect for bedside lighting or in a reading nook. This fixture can be hardwired or installed as a plug-in. Cord covers are included for plug-in use. Note: With hardwired mounting, the fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.

Shown in antique-burnished brass / linen
