Scala Floor Lamp By Visual Comfort Signature

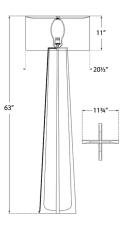

Description

The Scala Floor Lamp presents a modern, airy feel with its open frame body. Four legs extend up from a cross base, elegantly tapering towards the top. Subtle indentations throughout lend an organic quality and bring texture to the design. Whether placed in a living room, office, or bedroom, the Scala infuses your space with warm ambient light while adding a touch of sophisticated style. This lamp is French wired; the power cord exits at the bulb socket.
