Ruhlmann Small Wall Sconce By Visual Comfort Signature

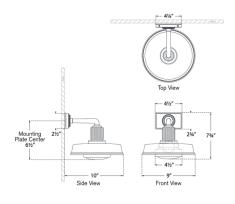

Description

The Ruhlmann Small Wall Sconce is rich in factory-inspired details, from the pan shade with ribbed socket holder to the gear-like design on the backplate. Light is diffused through white glass, providing even ambient illumination. Use this light to add a touch of industrial or farmhouse style to living rooms, entryways and bathrooms. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.
