Austin Articulating Plug-in Wall Sconce

By Visual Comfort Signature

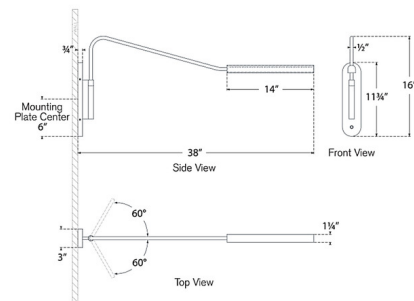

Description

The Austin Articulating Plug-in Wall Sconce brings a clean architectural look to your interior space. The arm swings side to side degrees to light exactly where you need it. Can be hardwired. Includes a matching cord cover. Dimmer switch is located on the cord. Note: If hardwired, the fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box, see installation instructions.

Shown in hand-rubbed antique brass
