Walker Chandelier

By Visual Comfort Signature

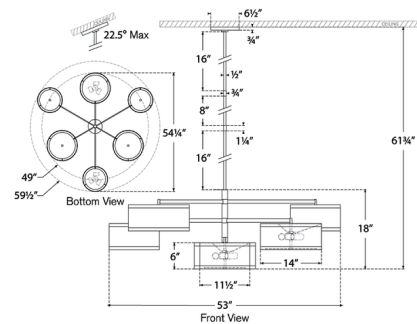

Description

The Walker Chandelier explores the timeless drum shade, pairing the simple form with a sleek frame for a polished, contemporary look. Wide edge detailing on the shades add a sophisticated touch, and the offset arrangement of the lights creates a sense of movement. A soft light glows through the linen shades and acrylic bottom diffusers, ideal for illuminating a foyer, living room or dining room. Note: Custom overall heights are available. For quotes, please contact our sales team.
