Pedra Shallow Chandelier

By Visual Comfort Signature

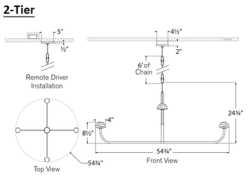

DAMP

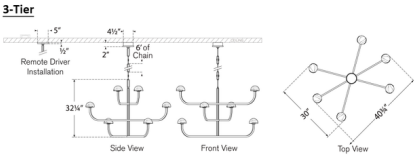

Description

The Pedra Shallow Chandelier, characterized by its extended metal arms and hand-carved alabaster dome shades, offers a blend of modern and organic appeal. Veining and natural color variations in the stone are accentuated as LED light shines through the shades. Place this chandelier in a contemporary foyer, living room, or dining room to add ambient lighting with a touch of sophistication. TRIAC dimmable. Note: The included driver must be installed in the canopy or in a remote location.Note: Alabaster is a natural stone and variations in color and texture make each piece unique.
