Nebra Linear Pendant

By a-emotional light

Description

The Nebra Linear Pendant was inspired by the sun rising over the ocean through a veil of mist. The pendant's integrated LED strip produces a horizontal glow that softly fades through the stainless steel mesh shade to create an ethereal atmosphere. The LED is bi-directional, with a powerful downward light to provide direct lighting and a smaller upward-facing light to provide a decorative accent. Nebra's light and weightless appearance while switched on is contrasted by its stark simplicity when switched off.

Specifications

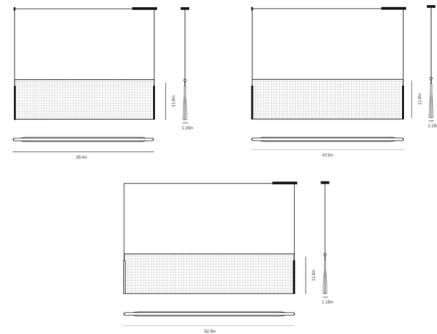

COLOR Taupe
 BODY FINISH Black
 WATTAGE 20W
