Vima Pendant

By Bert Frank

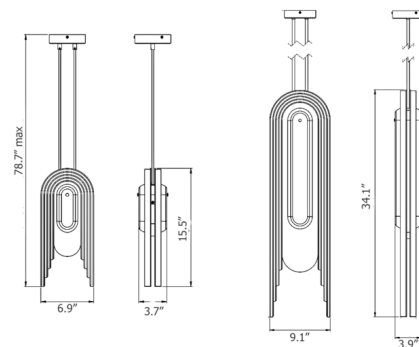

Description

The Vima Pendant takes inspiration from the strong lines and geometric motifs of Art Deco design to offer a modern take on classic design. The pendant's arched silhouette is crafted from alabaster with a ridged texture for a dramatic look. Vima's light source is housed within a translucent diffuser to produce a soft, diffused glow. Note: The small pendant is supplied with two suspension cords, and the large pendant is supplied with two brass drop rods.

Shown in brushed brass / alabaster
