## Vima Table Lamp

By Bert Frank

### Description

The Vima Table Lamp takes inspiration from the strong lines and geometric motifs of Art Deco design to offer a modern take on classic design. The lamp's arched silhouette is crafted from alabaster with a ridged texture for a dramatic look. Vima's light source is housed within a translucent diffuser to produce a soft, diffused glow. On/off switch located on cord. Note: UL certification is available upon request for an additional charge. Please contact our sales team for assistance.

Shown in brushed brass / alabaster
