Discus Swing Arm Wall Sconce

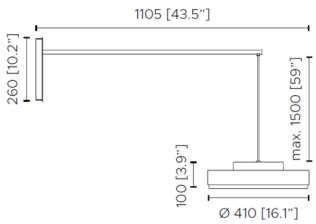

By Contardi

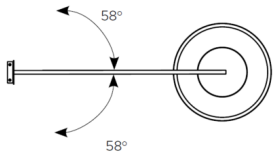

Description

The Discus Swing Arm Wall Sconce features a modern, minimal look that will enhance any interior. The LED light source is enclosed within a pair of discs accented by a metal or leather band and suspended from a horizontal arm. The fixture's arm swings 120 degrees, allowing the fixture to provide light for reading or other tasks. Note: Includes mounting plate for standard 4 inch junction box. The Cream option has a Cream frame and backplate.
