## Mikado Double Pendant

By Contardi

### Description

The Mikado Double Pendant showcases the timeless pairing of brass and crystal with a contemporary twist. The pendant is composed of intersecting metal bars accented with crystal diffusers engraved in two different patterns. Integrated LEDs within the crystal produce an elegant sparkle as light passes through. Mikado's seemingly random but overall balanced composition gives it a striking look that will stand out in any space. Available in three fixed overall heights. Note: Requires additional ceiling support for fixtures weighing over 50 lbs.
