## Heritage Wall Sconce

By Contardi

### Description

The Heritage Wall Sconce features a stylish transitional design that will complement a wide variety of decor styles. The tapered fabric shade provides diffused illumination with a neat and clean-lined aesthetic. It is accented by an angled arm and rectangular backplate to complete the look. Includes an adjustable LED spotlight to provide additional downlighting. Note: This fixture is not compatible with a standard US junction box. It requires a 1-gang switch junction box.
