DESCRIPTION

Easily configurable, every element of the H Series is designed to complement any space, creating a modern, sophisticated atmosphere. The H Series 4 Inch Remodel Housing is an IC-rated Airtight housing compatible with a variety of round and square trims. The trim options with light module offer both Natural Warm Dim (3000K to 2200K) color temperature and field-selectable brightness switch allowing for selection of lumen output of 350, 750 or 950 lumens. Note: A complete fixture requires a trim with light module and housing (trim with light module sold separately). Sold as a 12-pack.
