## Bellboy Portable Table Lamp By Fatboy USA

## Description

The Bellboy Portable Table Lamp features a playful and functional design that will instantly add an exciting accent to any space. The lamp is topped with a steel cap reminiscent of a bellboy's hat atop a polycarbonate diffuser, with a steel coil replacing the standard stem seen on classic table lamps. Bellboy includes an integrated LED light source with a touch dimmer and rechargeable battery, allowing it to be placed wherever its light is needed most. IP44 rated for protection against splashes.
