Antonia Wall Sconce

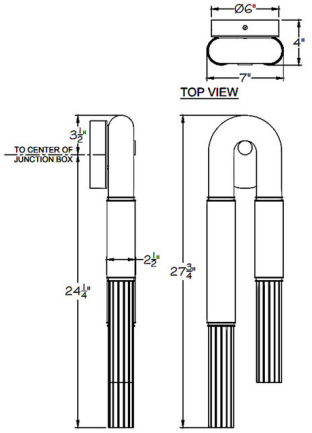

By Fine Art Handcrafted Lighting

Description

The Antonia Wall Sconce brings a stunning beauty to your interior space. The soft curves of metal are left bare, no skin, or accented with a Parchment skin and capped by clear glass, creating a stunning glow of light across your room. Available in Left and Right orientations. Note: Parchments are ethically procured as by-products of the meat industry, and no animal is harmed for the purpose of its skin. This is a natural material and therefore is subject to change from hide to hide.
