Antonia Linear Multi Light Pendant

By Fine Art Handcrafted Lighting

Description

The Antonia Linear Multi Light Pendant brings a stunning beauty to your interior space. Each of the soft curves of metal are left bare, no skin, or accented with a Parchment skin and capped by clear glass, creating a stunning glow of light across your room. Upper and lower lights can be wired independently for single or dual light control. Note: Parchments are ethically procured as by-products of the meat industry, and no animal is harmed for the purpose of its skin. This is a natural material and therefore is subject to change from hide to hide. Note: Due to the weight of this fixture, additional ceiling support is required.
