## Neathub Power Hub

By Humanscale

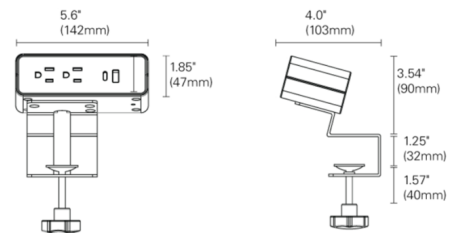

### Description

The NeatHub Power Hub is an all-in-one desktop power solution that offers convenient access for all-day-long connectivity. It features two AC plugs, a standard USB-A port, and a highly-requested USB-C port. Easy to install, and requiring no tools, NeatHub attaches to the edge of almost any worksurface with an adaptable clamp mount and works access to power directly to the user.
