Ergonomic Foot Rocker By Humanscale

Description

The Ergonomic Foot Rocker delivers effortless functionality in a simple, stylish package. The Foot Rocker promotes health and comfort by getting the user's feet moving. This addition to the workstation provides instant relief from prolonged sitting by encouraging a gentle rocking of the feet. The FR500 Foot Rockers provides perfect support for the feet and legs when sitting. By engaging lower leg muscles, it increases healthful circulation while also raising the feet to relieve pressure on the lower back.
