Undertow Table Lamp

By Jamie Young Company

Description

The Undertow Table Lamp features a design as seemingly straightforward as this demands perfection in every part. The cylindrical base is expertly handcrafted of the finest ceramic. The drum shade is crisp, clean white linen. A gold-toned spider adds a touch of warmth, and the shade is topped with a ceramic finial in a cylindrical shape that mirrors its base. Separately, each element is exemplary. Together, they are simply extraordinary. Includes On/off pull chain.
