Flare Color-Select Ceiling Light

By Abra Lighting

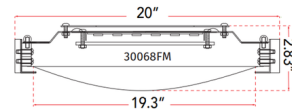

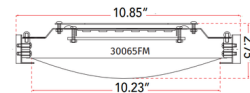

Description

The Flare Color-Select Ceiling Light is named after its shade which flares out to reveal the recessed opal glass diffuser within. The interior of the shade features a gold accent which further brightens the room in addition to the high output LED. Equipped with a three-way color temperature switch (2700K/3350K/4000K), this fixture allows you to easily customize the brightness to your desired setting, ensuring the perfect ambiance for any occasion.
