Snare Color-Select Ceiling Light

By Abra Lighting

Description

The Snare Color-Select Ceiling Light is a sleek cylinder flushmount with a high output dimmable LED. The frosted glass diffuser which is slightly recessed into the fixture diffuses the powerful light gently for a soft but powerful illumination of the space in which it occupies. Equipped with a three-way color temperature switch (2700K/3350K/4000K), this fixture allows you to easily customize the brightness to your desired setting, ensuring the perfect ambiance for any occasion.
