Down Rod

By Modern Fan Co.

Description

This dowrod is designed for use with standard Modern Fan Co. downrod suspended fans, to adjust drop length. If a length longer than 72 inches is needed, the downrod coupler (sold separately) can be used to join two downrods. The rod is non-threaded and has stopper pin holes on each end. It can be field cut to custom lengths, but stopper pin holes must be re-drilled on the cut end. Note: Not for use with Pensi DC or flush mount fans.
