## IC/Brisa DC Ceiling Fan By Modern Fan Co.

### Description

The IC/Brisa DC Ceiling Fan embodies modern sophistication in its sleek, minimal housing and contoured blades. Built with die-cast aluminum housing, injection-molded ABS blades and an energy-efficient DC motor, this fan quietly delivers powerful airflow throughout your space to create a comfortable environment. The fan is available with or without an integrated LED light. The light is cast through an opal glass diffuser, providing soft ambient illumination. Three RF control options are available: Remote Control (RC), Wall Control (WC), or Wall/Remote Combo (CC). The control can turn the motor on/off, adjust between 6 speeds, and set forward and reverse. If the fan has a light, the control also enables light on/off and dimming. Optional accessories are sold separately.
