Hortensia Armchair

By Moooi

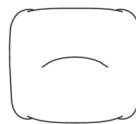

Description

The welcoming, organic form of the Hortensia Armchair was inspired by the unfurling petals of a flower in bloom. Its gentle curves create a serene, visually-pleasing aesthetic, which is matched by the comfortable feel of Hortensia's ergonomic shape and upholstered foam seat. The chair's shape is complemented by its unique, petal-like upholstery, which gives Hortensia a truly floral appearance.
