Linea Vertical Pendant

By Nomon

Description

The beauty of the Linea Vertical Pendant lies in its minimal cylindrical form, which highlights the rich natural texture of its wooden construction. The ultra-slim wooden pendant houses an integrated LED along the length of its body. A metal ring attaches the pendant to its suspension cable and add a subtle decorative accent. Linea is a natural fit in a high-ceilinged foyer or next to a wall to provide indirect illumination. Dimmable with PUSH-DIM or 0-10V type dimmers.
