# Wooden Dots WDS08 Pendant

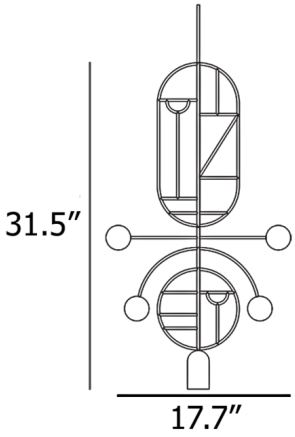

By Nomon

## Description

The Wooden Dots Pendant offers an artistic expression that is as much a decorative sculpture as it is a light fixture. The pendant features a cylindrical downlight with a frame decorated by geometric designs. The frame is composed of independently rotating circular and oval sections and a pair of arms adorned with colored metal or walnut dots for a mobile-like appearance. Its unique look embodies Nomon's philosophy of creating jewelry for the home.

Shown in brass / walnut
