## Wooden Dots WDS15 Pendant

By Nomon

### Description

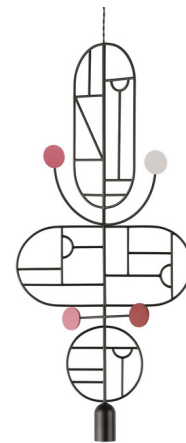

The Wooden Dots Pendant offers an artistic expression that is as much a decorative sculpture as it is a light fixture. The pendant features a cylindrical downlight with a frame decorated by geometric designs. The frame is composed of independently rotating oval and round sections and arms adorned with colored metal or walnut dots for a mobile-like appearance. Its unique look embodies Nomon's philosophy of creating jewelry for the home.
