Veer Color-Select Pendant By Oxygen by Quorum

Description

Inspired by Frank Lloyd Wright's Fallingwater home, the Veer Color-Select Pendant mimics the water that rushed around and past the house, ending in a breathtaking waterfall. A teardrop shaped iced glass diffuser creates the illusion of flowing water, returning in a continuous loop. Perfect a solo statement or hung in a cluster for dramatic effect. LED color selectable options include 2700K, 3000K, 4000K, 5000K, and 6500K.

Shown in aged brass / clear
