Helix Wall Sconce

By Quorum

Description

The Helix series is a minimalist-inspired design sporting a linear frame with an abundance of soft-angular curves. The two-toned finish is anchored by cylinder-shaped, clear fluted glass shades. This luminary is great for any living room, dining room, or entryway space with a mid-century modern design. Thanks to the damp listing, this soft-contemporary fixture is also suitable for outdoor kitchens and covered patios.
