Finura Pendant

By Quorum

Description

The Finura pendant is a geometrically inspired fixture guided by linear composition and an open-air design. An elegant interplay between the horizontal strips of Noir that surround the fixture and the Aged Brass finish that completes the frame. Featuring a stem and chain hung design, this fixture comes included with supplementary chain and rod stems for customization and adjustability. Fit for a medium based bulb, the light source within the drum provides an ambient glow perfect for any en vogue modern-industrial look.
