Fort Worth Clear Seeded Dome Pendant By Quorum

Description

This pendant consists of a single, dome-shaped glass shade suspended from the ceiling by a slender, straight rod that extends from a round canopy. The clear seeded glass shade creates a subtle texture that softly diffuses while enhancing visual appeal. A chain and hardware emanate vintage charm and allow for an adjustable hanging height. Inside the glass shade is a single exposed medium-base lamp, creating a cohesive and polished look. This pendant light's design is simple and refined, making it an ideal choice for various settings, including kitchens, dining areas, or living spaces.
