Soft Contemporary Globe Pendant By Quorum

Description

This eclectic one light pendant is the perfect lighting solution for any industrial-modern or nostalgic-transitional space. A two-tone dome shape, with an opaque cap and clear base, divided by a vintage inspired capture ring that further forms a cohesive look with the fixtures frame. Decorative knobs, a matching chain and stem hanging system complete the look. Hang multiples over your modern farmhouse kitchen island for an outstanding design, or line your hallway with these luminaries for an exceptional ambient glow. Note: Not all options are available
