Paxton Linear Chandelier

By Quorum

Description

The Paxton linear chandelier combines contemporary styling with idyllic rural undertones. The Modern Farmhouse style is further heightened by the fixture's geometric influence, given its boxed frame. The two-toned finish creates a charming effect that helps keep the light firmly grounded in its unassuming rustic aesthetic. A chain hung suspension system with stem support framing converges to create a triangular shape. Damp listing capabilities give this chandelier added versatility, making it the perfect fixture for your indoor kitchens, dining rooms, living rooms, or entry foyers, as well as outdoor covered patios and grilling areas.
