Paxton Chandelier with Glass Shades

By Quorum

Description

The Paxton wagon wheel chandelier combines contemporary styling with idyllic rural undertones. The Modern Farmhouse style is further heightened by the fixture's geometric influence, given its rounded frame. The two-toned finishes create a charming effect that helps keep the light firmly grounded in its unassuming rustic aesthetic. Showcasing medium base sockets, exposed by the cone-shaped, stone seeded glass shades, this luminary is equipped for A19 bulbs. A chain hung suspension system with stem support framing converges to create a conical shape. Damp listing capabilities give this chandelier added versatility, making it the perfect fixture for your indoor kitchens, dining rooms, living rooms, or entry foyers, as well as outdoor covered patios and grilling areas. Note: Not all options are available
