Tioga Wall Sconce By Quorum

Description

The Tioga one-light wall mount sports a unique shape with creative elegant undertones. This Mid-Century Modern inspired design is embodied by linear framing and angular accents, while also asserting a unique abstract peculiarity thanks to frosted glass trapezoid shades. With a sleek appeal that is rooted in minimalist design, this luxury luminary exudes a nostalgic essence thanks to its geometric framing. The outward extension of the light sockets creates a sense of free-floating illumination.
