Holliston Floor Lamp By Troy Lighting

Description

The Holliston Floor Lamp is a fluid piece that appears to balance on the metal orb at the base. A mix of textures in its forged iron and abaca rope stem adds to the dynamic feel, offering a visually striking element for your space. The shade can be adjusted to aim the light where needed. Use the Holliston as a reading lamp or a source of ambient illumination in a living room, bedroom, or home office.

Shown in forged iron / white
