Sayward Bathroom Vanity Light By Visual Comfort Studio

Description

The Sayward Bathroom Vanity Light is a contemporary fixture that combines a sleek round metal backplate with clear cylindrical glass shades, creating a clean and sophisticated look for your space. The clear shades are ideal for showing off filament bulbs that would add a charming vintage touch to the design. Place the Sayward over a bathroom mirror or in a powder room to add a bright layer of light and fresh style.

Shown in satin brass / clear
