Collar Open End Sofa

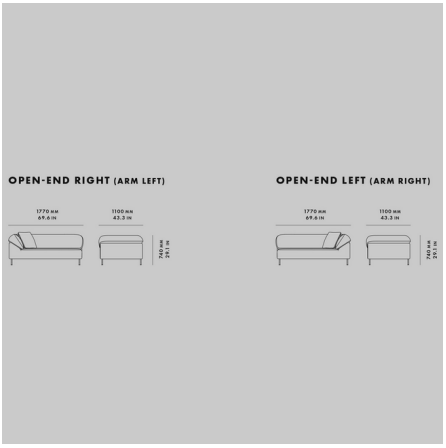

By Woud Design

Description

The Collar Open End Sofa reinterprets classic sofa design with angled cushions and generous curves for a luxe, modern aesthetic. The cushion gracefully wraps around the arm into the backrest like a collar, from which the sofa takes its name. This unique design, along with a low back and deep seat, makes Collar perfectly suited to laying out and lounging. Use one open end sofa on its own as a chaise longue, or place two together to form a sectional.
