Aros Rug

By Nanimarquina

Description

Almost perfect, almost serene, almost discreet and indiscreet, almost happy is the Aros Rug with the simplicity of an irregular outline that defines the form of each rug. Comprised in contrasting colors, this is a rug that is never exact or symmetrical. The subtle asymmetry in each design invites freedom from conventional uses, making it possible to combine more than one piece to create new volumes in a single space.

Shown in reddish
